The Brady Brief - Education Jobs and Medicaid Assistance Act

Dear Friend,

This past Tuesday, the House convened a special session to pass H.R. 1586, the Education Jobs and Medicaid Assistance Act. I proudly voted for this bill because it will save or create 319,000 jobs, close tax loopholes that encourage corporations to ship jobs overseas, and reduce the deficit.

This bill contains over \$26 billion in funding necessary to support our school districts, provide health care, create jobs, and reduce the deficit. This bill was signed into law by President Obama on August 10th, and will begin providing help to important programs that desperately need it.

- Saves or creates 161,000 teacher jobs through its Education Jobs Fund
- Provides additional Medicaid assistance for states
- Saves or creates 158,000 jobs because of health care funding
- Prevents the layoff of police officers and firefighters
- Reduces the deficit by \$1.4 billion over 10 years

In this tough economy, please know that I will continue to fight to save and create jobs, especially those of our teachers, police officers, and firefighters. If you have any questions about this or any other issue, don't hesitate to contact me.

Sincerely,

Robert Brady
Member of Congress
